The Northeast Youth Center and Eastern Washington University will be hosting the 15th annual "Fantastic Fun For All" on Wednesday March 7th from 3 p.m. to 5 p.m. at the Hillyard Baptist Church, 2121 East Wabash, behind Walgreens on Crestline and Wabash. This years theme for the event is "Extreme Medieval Sports". This event provides an opportunity for Hillyard resident children to participate in fun and safe activities focused on building self-esteem and peer-bonding. Thanks to the generous donations by local area businesses, there will be food and prizes made available. There is also a new website created for this event with a map and up to the minute information at: <http://www.fantasticfunforall.com>.

This event and it's activities are organized exclusively by Eastern Washington University recreation students under the direction of Dr. Barb Brock. The Fantastic Fun For All combines the community's financial resources and a local young adult organization to create a safe, fun place for kids and their families.

If you have any questions about event, please feel free to call Dr. Barb Brock, EWU (509) 359-6040 or Tim Freye (509) 482-0708.
